Working with the CDs

Recommended Approach:

1. Read the book, listening to the CD where applicable. The table below indicates in the "Content" column if there is content on the CD for the given lesson or exercise. (Not everything in the book is on the CDs.)
2. Do the exercises in the book, listening to the CD, where applicable.
3. Do the exercises again in the book, this time without the CD.
4. Work with the CD again, this time without the book.
